## Overview

### 4Media Group Inc.

4Media Group Inc., is a manufacturers representative for enterprise technology solutions that covers Missouri, Kansas, Iowa, and Nebraska. Currently we serve our markets with 3 outside sales people.

4Media Group's synergistic line card includes industry-leading solutions for voice, video, data and security solutions. For a complete list, download our most current line card for one of the following regions: [Kansas and Western Missouri](#), [Iowa and Nebraska](#), or [Eastern Missouri and Southern Illinois](#).

4Media Group continuously invests in proven technologies that add value to our agency clients and business partners through increased market awareness and responsiveness. We work closely with our business partners, contractors, distribution, end users and specifiers to ensure excellent relationships.
